EXPERIENCE

Academic and non-academic experience

September 2023 – present

Professor of Management Skills at *ESBS (Madrid, Spain)*

The Management Skills program includes personal and professional development for the European Sports Business School students. The course focuses on the “Decision Making Process” from a humanistic perspective. Practical approach and critical thinking are at the base of the curriculum.

esbs-spain.com

Director of Studies at *Colegio Mayor Guadaira (Sevilla, Spain)*.

Colegio Mayor Guadaira is a University residence founded in 1947 in Sevilla (Spain). Residents participate in and organize cultural and personal development projects to complete their instruction at the University. The Director of Studies is responsible for the programs related to personal and professional growth, such as the “Curso de Competencias Personales” or the “Club de Emprendimiento.” All residents have the opportunity to follow the mentoring program with professionals from different industries and profiles who orient them in these key stages of their education. The Director of Studies coordinates and assists the mentoring program.

January 2021 – present

Co-founder & Executive Director at *CRETIO Foundation (FL, United States)*

CRETIO Foundation is a network of people from different backgrounds who aim to foster the Holy Land's knowledge and experience. Main activities are trips and visits to the Holy Places, networking events both there and in their countries of origin, preparation and distribution of academic material regarding the Holy Sites, and fostering economic development in the region by improving access to resources. I teach “Descubre Tierra Santa” at Universidad del Istmo (UNIS, Guatemala) as part of our activities.

February 2019 – June 2023

Coordinator at *Shelton Virtual Institute*

The Shelton Virtual Institute is an online educational platform dedicated to the global projection of the Shelton Foundation. The SVI organizes network events, instructional resources, and online courses in two main areas: Personal Development and cultural heritage. The Virtual Institute offers courses such as “*La Biblia en Vivo*,” “*Latin as a Living Language*,” “*Personal Endeavor: Innovation*,” “*Personal Endeavor: Communication*,” “*Ancient Literature*,” and “*Cultura Clásica*.”

July 2020 – June 2023

Consultant for Formation and Innovation at Shelton Academy (FL, USA).

As an external consultant, I coordinate the content transmission from the University of Navarra's formation and instruction to the programs at Shelton Academy. I coordinated with the Institute of Culture and Society's research specialist for the curriculum design proposal.

March 2019 – June 2020

Program Manager at FUNCIVA – Fundación Ciudadanía y Valores (Madrid, Spain).

Design and implementation of the educational structure of "The Mark Program": An instructional program aiming at boys aged 16-22 to help them develop their Soft Skills in a unique and interactive methodology.

Coordinate the work of all content creators for the educational platform of the program, including materials from different areas (management and humanities mainly).

Coaching and supporting all program instructors and coordinating their content to increase the impact of their performance.

www.funciva.org / www.themarkprogram.com
